Details for the above listed competitions can be found on the IPC Swimming Calendar or upon contacting the given address.

All athletes requesting international classification must be licensed prior to classification start.

For detailed information re licensing for the 2010 Summer Season please see the IPC Swimming website News section at:
http://www.ipc-swimming.org/news/2009_12_01_b.html

All athletes requesting international classification have to send the Medical Data Submission Form to IPC Swimming at least 4 weeks before the classification start. The Medical Data Submission Form is published on IPC Swimming website under Classification.
Review Requests have to be sent 3 months in advance.

Please be advised that IPC Swimming is working on further possibilities for international classification/classification courses and the website will be updated accordingly.
